

Although water is always readily available to the children throughout the session, we would also request that parents bring in additional drink so that the children have a regular fluid intake, as small children can dehydrate very quickly.

Parental Permission For Sun Protection

In line with our sun policy, I confirm that I will adhere to the policies and procedures of Fyfield Village Pre-School as follows:

Please delete as necessary.

- I will provide a named sun hat for my child which I will keep in my child's tray.
- I will provide a named drink for my child.
- During the summer months I will apply a suitable sunscreen before my child arrives at school.
- I give Fyfield Village Pre-School staff permission to apply my child's sunscreen before afternoon outdoor activities.
- I will provide a bottle of factor 30 or higher sunscreen for my child, clearly labelled with the child's name so that a member of Fyfield Village Pre-School staff can apply further sunscreen to my child before afternoon activities to provide continual protection throughout the day. I will keep this in my child's tray.
- In the event that my child does not have his/her own sunscreen at school I give permission for a member of Fyfield Village Pre-School staff to apply an alternative SPF 50+ when necessary.
- My child is allergic to sunscreen and I will provide an alternative protection.

Name of child: _____
